

IP Rating Statement of Compliance

IP65

This document confirms that the products (and their associated color/configuration variants) bearing the names:

ECONOROCK
OCTOROCK
PAVAROCCI
PUNKROCK
ROCKY III
ROCKY JR.

ROCQUETTE
STONEHENGE II
XT-POWERROCK
XT-SURROUND
STONE 8
ONESUB

DUBSUB
OMNIPLANTER 6.5
OMNIPLANTER 8.0
SQUAREROOT 6.5

Meet all requirements defined in ANSI/IEC 60529-2004 to bear an ingress protection rating of **IP65**.

To meet these requirements, the products shall not allow dust ingress under any circumstances within normal operation, and are protected from water ingress from small, low-pressure jets for no less than 3 minutes in any direction.

The products are not rated or intended to be used where powerful water jets may strike any face, or if complete or partial immersion in water is possible.
